

The Grace Divergence Part 2: Inclusionism

In *The Grace Divergence Part 1*, I called out a prominent false doctrine called *Christus Victor* and the consequences for believing it.

Unbeknownst to many believers in Christ today, Satan has launched a malicious and heretical campaign that has also effectively enslaved believers in Christ experiencing the Gospel of Grace. I want to expose the enemy's lies and help you see with pristine clarity the enemy's deceptive and manipulative tactics. These lies will collapse like a house of cards the second you see the truth. The malicious and heretical campaign I'm talking about is **Inclusionism**.

The heresy of Inclusionism is the most dangerous doctrine in the body of Christ today, especially for those that are part of the Grace Revolution worldwide. It directly opposes the Gospel of Grace and completely nullifies its life, power, and ability to produce fruit. Under this rock, you will find nothing but deception and doom. Let's get down to the nitty-gritty.

-What is Inclusionism?

Inclusionism is a major Biblical heresy that says that the entire world has already been saved through the finished work of Christ. These heretics are calling this "Biblical" belief *Historical Reconciliation*. But nothing can be further from the truth; this is what I call *Historical Mortification*.

The guile is they will lure the person in with the Gospel of Grace. Initially, these cunning preachers will use the terminology of the Gospel of Grace, its language and even its rhythms because most, if not all, of its promoters were walking in the truth of the Gospel of Grace at one point in the past. Today, they are heretics teaching the Gospel of Disgrace.

Those that live from the preaching of this ministry of confusion do not specify their beliefs openly. There's a lot of 'beating around the bush' and never giving straight answers to questions. Why? They know that if they do, their ministries will go down the toilet if they openly state that the whole world has been saved. They prefer to keep it in the DL (down low) initially so they have a fighting chance to give the Inclusionism sales pitch and make a disciple of the modern-day Judas instead of Jesus.

-Why is Inclusionism a major heresy?

Inclusionism is the imposter of the Gospel of Grace. It has taken the liberating truths that the Apostle Paul preached and simply made up not another but a different gospel. Allow me to show you some of the central claims of this imposter called Inclusionism:

- Everyone is saved and has eternal life. Therefore, all are born again and in Christ.
- Everyone has received forgiveness of their past, present, and future sins. Therefore, all are purified and cleansed.
- Everyone is the righteousness of God. Therefore, all are reconciled, accepted, and sanctified.
- Everyone is free from the condemnation, punishment, and penalty of sin. Therefore, all are redeemed.
- Everyone has died, resurrected and now seated with Christ. Therefore, personal faith in Christ is no longer necessary.

As you can see, Inclusionism is not the Gospel of Grace. It is a diluted version, a tangent from the truth – a grace diversion.

James 4:8

Come near to God and he will come near to you.

This verse forever dispels the Inclusion confusion. This is where the rubber meets the road. In order for any form of the manifold grace of the finish work of Christ to become effectual, it must be willingly received. But the Inclusionists will argue, “God already abides within everybody.”

-What are the consequences of believing Inclusionism?

The implication is that everyone who receives this doctrine of demons will be a victim of spiritual destruction. Inclusionism is a spiritual parasite that will not just obstruct the spiritual growth of the believer in Christ but will cause a regression of any truth all the way to the core of their belief system. Once the true Gospel of Grace is exchanged with Inclusionism (or any other gospel for that matter) at a heart level, the fruit in the believer in Christ’s life will begin to choke. In other words, their faith will not produce any results whatsoever. Not only that, but once the true Gospel of God is exchanged, lewdness begins to occur in the behavior. It is no wonder many Inclusionists are open slanderers, jesters in their ministry style, and mockers of those still in bondage by religion.

Once a believer in Christ steps out and begins to be a collaborator and promoter of this doctrine, it hits a new level of consequence.

Galatians 1:8-9

⁸If we or an angel from heaven preach any other gospel to you than the one we have preached to you, let him be accursed.

⁹As we said before, so say I now again, if any man preach any other gospel to you than that you have received, let him be accursed.

The Apostle Paul was extremely serious when he stated the consequences of interchanging the Gospel of Grace with another gospel in the Book of Galatians, chapter one. He was so serious that the Apostle Paul says it twice. My advice is, have nothing to do with Inclusionism.
