

Golden Glory

The world remains at a crossroad that will determine if it continues towards a free world or descends into an abyss ensued by the second coming of Christ. Regardless of the outcome, God has now positioned His Church to preach the Gospel of Grace in an unrestrained manner, be a beacon of light in the midst of darkness, and provoke an unbelieving world to jealously by granting the believers in Christ His lavish grace, faithful protection, and prolific blessing.

As the righteousness of God in Christ, it is vital for us to enjoy life, unite in the stand against ungodliness and tyranny, and rest by faith as Christ takes care of us and fights our battles. The just shall live (and fight) by faith.

Job 36:7

He does not withdraw His eyes from the righteous;
But they are on the throne with kings,
For He has seated them forever,
And they are exalted.

We live in a day and age that ungodly leaders, very cunningly, have begun to go against the Church on a global scale in the name of progression because the Church is disrupting their agenda. We are the only godly entity standing in the way of a globalist system take-over, especially the Church in the USA, since it's a nation needed to unleash the evil, globalist agenda.

Rest assure that the Lord will never withdraw His hedge of protection from us as believers in Christ wherever we in the world. Rather, we will experience the opposite. He will reinforce His protection upon us and will push back on any entity that continues to persecute His Church. No assault, weapon, or evil plan formed against His Church will prosper.

I encourage every believer in Christ reading this not to have a confident expectation of danger, persecution, or sorrow. Instead, the Lord has placed you on a throne as a king. As the righteousness of God in Christ, you are exalted above the world's (and personal) circumstances. Have the expectation that you will reign as a king through Jesus Christ despite of whatever lies ahead for the world and whatever policies are implemented by ungodly leaders in government.

During this time of deep darkness upon the world, let me share the heart of God in regards to ungodly leaders wanting to reign to push the globalist agenda to ultimately persecute the Church. One thing is for sure, God protects His own – those that are righteous by faith in Christ.

Job 34:30

He keeps the hypocrite from reigning so that they will not bring harm to the people.

It is not God's will for the hypocrites to govern in any form since He doesn't want them to bring harm to the people, especially His people. Today, the hypocrite is descriptive of those trying to push the lawless, globalist agenda in the name of rebuilding, unity, equality, health, climate, and freedom. These individuals put up a righteous facade – an outward appearance of being for the people; however, their stand on policy shows their hypocrisy and double standards.

For example, many of these hypocrites call abortion a choice but to affirm only two genders as violence; protests in the streets a right but forbidding church gatherings a precaution; democratic socialism as equality but standing on Christian values as racism; open borders as the common good of all but the protection of citizens from foreign threats as fascism. Hypocrisy!

Job 33:23-24

“If there is a messenger for him,
A mediator, one among a thousand,
To show man His uprightness,
Then He is gracious to him, and says,
‘Deliver him from going down to the Pit;
I have found a ransom

On account of what Christ has done, today we have a mediator that would stand in the way of any government official who is trying to pass a legal claim to persecute you and your family. As the righteous, we have a champion – Jesus Christ – who gave Himself a ransom to deliver, protect, and bless us.

The word *ransom* in the Hebrew in the word *kaphar*, which means “to make an atonement”. In other words, because we have been forgiven of all our sins and made righteous by the blood of Christ, God is proclaiming over our life “Deliver him/her from the going down to the pit!”

Job 37:22

He comes from the north as golden *glory*;
With God is awesome majesty”

The global Church will experience a golden glory – a moment of awe or majestic splendor in the form of a victory that seemed impossible. When the Church experiences this as a body, it is a confirmation to the believer in Christ of God's grace and a sign to the world of God's mercy.

During the last days, this golden glory will also come from believers in Christ within a nation from the north. I believe this nation to be the United States since it is currently a nation used by God to stand up firmly for freedom, which is being severely attacked by the evils of globalism.

Individually, as a believer in Christ, the greatest victory is ahead of you as the righteousness of God in Christ. Have the expectation this golden glory to be made manifest in your practical life.
